PATIENT TOWELS

1+1

18 x 28

Our professional Patient Towels are beloved amongst our customers!

The **special package** with 50 folded bibs helps the dentist keep the practice tidy: it can be easily stored in any drawer.

The patient's **clothes are safe during any dental treatment**. The top surface is made of pure cellulose and it's highly **absorbent** while the back side protects the patient with a **waterproof PE-layer**.

Size

1 ply of extra strong (25 g/m²) tissue of pure cellulose + 1 ply of waterproof PE-foil (8 g/m²).
